

Riverport Township Emergency Operations Plan, 2020 Update

Residents may request copies of the supporting documents from Information Technology. Nothing in this section limits the authority of the governing body to act in an emergency. Where a deadline falls on a weekend or holiday, it moves to the next business day.

Concept of Operations

The emergency management coordinator activates this plan when conditions warrant. These amounts are estimates and may change as final invoices are received.

Responsibilities

An after-action review is conducted following every activation. Exceptions require written approval and must be documented in the project file. Shelters are opened in coordination with volunteer relief organizations.

Staff Recommendation

Staff will review these provisions annually and recommend changes where needed. Records supporting these figures are retained for at least 6 years. Approximately 12 percent of the work described here was completed on schedule.

Mutual Aid

Department heads maintain call lists and review them at least every 10 months. The township may request mutual aid when local resources are exhausted.

Public warnings are issued through sirens, text alerts and local media. This section applies to all departments unless a later provision states otherwise. Department heads maintain call lists and review them at least every 7 months.

Purpose

The township may request mutual aid when local resources are exhausted. An after-action review is conducted following every activation.

Purpose and Scope

Public warnings are issued through sirens, text alerts and local media. Shelters are opened in coordination with volunteer relief organizations.
