Plan Maintenance

The city may request mutual aid when local resources are exhausted. Where a deadline falls on a weekend or holiday, it moves to the next business day.

Reporting Requirements

Questions about this material should be directed to Public Works during regular business hours. The information below reflects conditions as of the end of the 2023 fiscal year.

Activation Levels

An after-action review is conducted following every activation. Public warnings are issued through sirens, text alerts and local media.

Public Comment

The city coordinates this work with neighboring jurisdictions when practical. Each responsible department reports progress to the administrator on a quarterly basis. The emergency management coordinator activates this plan when conditions warrant.

Item	Responsible Party	Amount	Status
Hazard 1	38	42	81
Organization 2	81	83	51

Contact Information

This section applies to all departments unless a later provision states otherwise. These amounts are estimates and may change as final invoices are received.

Background

The following provisions were updated to reflect current state requirements. The emergency management coordinator activates this plan when conditions warrant. Shelters are opened in coordination with volunteer relief organizations.

- Records supporting these figures are retained for at least 2 years.
- Approximately 2 percent of the work described here was completed on schedule.
- Department heads maintain call lists and review them at least every 9 months.

Purpose and Scope

Department heads maintain call lists and review them at least every 12 months. Public warnings are issued through sirens, text alerts and local media. Nothing in this section limits the authority of the governing body to act in an emergency.

Item	Responsible Party
Direction 1	49
Concept 2	32
Communications 3	22

Definitions

Staff will review these provisions annually and recommend changes where needed. The city may request mutual aid when local resources are exhausted.
