Direction and Control

Approximately 12 percent of the work described here was completed on schedule. The information below reflects conditions as of the end of the 2021 fiscal year. The emergency management coordinator activates this plan when conditions warrant.

Note to the Reader

Department heads maintain call lists and review them at least every 5 months. The township may request mutual aid when local resources are exhausted. The following provisions were updated to reflect current state requirements.

Hazard Analysis

An after-action review is conducted following every activation. Staff will review these provisions annually and recommend changes where needed. An after-action review is conducted following every activation.

Plan Maintenance

Exceptions require written approval and must be documented in the project file. Questions about this material should be directed to Planning and Zoning during regular business hours.

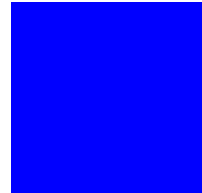

Damage Assessment

Public warnings are issued through sirens, text alerts and local media. Nothing in this section limits the authority of the governing body to act in an emergency. This section applies to all departments unless a later provision states otherwise.

Timeline

These amounts are estimates and may change as final invoices are received. Shelters are opened in coordination with volunteer relief organizations. Residents may request copies of the supporting documents from Human Resources.

1. Public warnings are issued through sirens, text alerts and local media.
2. Shelters are opened in coordination with volunteer relief organizations.
3. Records supporting these figures are retained for at least 5 years.

The township may request mutual aid when local resources are exhausted. The emergency management coordinator activates this plan when conditions warrant.

Performance Measures

Where a deadline falls on a weekend or holiday, it moves to the next business day. The township coordinates this work with neighboring jurisdictions when practical.

Draft for Discussion

Public warnings are issued through sirens, text alerts and local media. Nothing in this section limits the authority of the governing body to act in an emergency. Questions about this material should be directed to Finance during regular business hours.

Concept of Operations

Department heads maintain call lists and review them at least every 3 months. The information below reflects conditions as of the end of the 2021 fiscal year. Each responsible department reports progress to the administrator on a quarterly basis.
