

# First Destination Survey

## Class of 2020

### EXECUTIVE SUMMARY

The First Destination Report is the university-wide report of student post-graduation outcomes and activities. The purpose of this report and the data collection process is to understand and assess the post-graduation outcomes and activities of our students. The report includes information about the post-graduation outcomes of undergraduate and graduate students graduating from Indiana State in August 2019, December 2019 and May 2020. Together, this is the Class of 2020. The report uses data collected from 1,783 of the 2,634 graduates, resulting in a 67.7% knowledge rate, in the Class of 2020 from the five colleges and the College of Graduate and Professional Studies.
