OVERVIEW OF THE PROGRAM REVIEW

THE MISSION

Jackson College (JC) is an institution of higher education whose mission is “Together we inspire and transform lives.” In fulfilling its mission, Jackson College provides learning opportunities and services which:

- Enable learners to transfer college credit and successfully pursue their education at other institutions.
- Enable learners to become employed and advance in a variety of occupations.
- Enable learners to participate successfully in general, occupational or transfer disciplines.
- Enable learners to become or remain productive employees.
- Assist learners in identifying and reaching their educational goals.
- Support the economic development of individuals and the community.
- Enrich cultural, vocational, and other intellectual interests of individuals and the community.

PHILOSOPHY

As an institution accredited by the Higher Learning Commission (HLC) that strives for continuous quality improvement (CQI), JC uses regularly scheduled program review as a tool to assess programs in terms of relevance, effectiveness and meeting stakeholder needs.

PURPOSE OF THE REVIEW

To determine that a program meets the current and future needs of students and external stakeholders, and that it has academic integrity, the findings are used for:

- Program planning
- Decision-making for improvement
- Revision of program goals
- Resource allocation and budget requests
- Reporting program progress and results to appropriate audiences

STRUCTURE

This template combines requirements for PROE and program reviews. Each program has a review scheduled every five years which is presented at the Academic Council during the academic year. The program review timetable is posted on the faculty page on the JC Intranet.

GATHERING INFORMATION

- Collect and review data that document specific aspects of the program.
- Data may be quantitative or qualitative, direct, or indirect; may include performance indicators such as billing contact hours and may take the form of surveys. Certain elements must be quantitative.
- Feedback from stakeholders must be gathered.
- It is best to use multiple sources of evidence.

PROCEDURE

PRE-PLANNING

- All Course Reviews should be brought up to date in accordance with the program review timeline.
- Review the timeframes for completion of each step of the review.

MILESTONE CHECKPOINTS

- Schedule Data Analysis meeting with IRE
 - Identify any additional data that is needed and request those not already provided from sources.
- Connect with your Dean regarding feedback
- Finalize action projects and revise any other portions of the review as identified.
- Schedule meeting with Program and Pathway Committee for review of materials
 - DRAFT submitted to Program and Pathway Committee **TWO** months prior to AC presentation
 - FINAL Review and AC Presentation (found on the Faculty Page of the JC Intranet) submitted to Program and Pathway Committee **ONE** month prior to AC Presentation.

PRESENTATION OF REPORT TO ACADEMIC COUNCIL (AC)

- Pending Program and Pathway Committee approval confirm presentation date to AC.
- Program Review will be saved on the JC Intranet under Faculty.

FOLLOW UP

- Submit action plan update to Program and Pathway Committee one year from presentation.
