Glossary of Financial Aid Terms

Verification – Verification is the confirmation through documentation that the information provided on a student's Free Application for Federal Student Aid (FAFSA) is correct. The federal government requires colleges and universities to verify or confirm the data reported by students and their parent(s) on the FAFSA.

Tax Return Transcript – Students selected for verification need to provide a tax return transcript to verify their income or their parents' income. Tax return transcripts show most line items from your tax return (Form 1040) as it was originally filed, including any accompanying forms and schedules. This transcript does not reflect any changes you, your representative or the IRS made after you filed your return.

Student Aid Index – An eligibility index number that determines how much financial aid you would receive if you attend the school.

Authorization/Prior Year Authorization – The act of voluntarily authorizing Walters State Community College to apply your financial aid funds to pay charges other than tuition and fees, such as library fees, traffic fines, etc. for the current or prior academic year.

Incarceration – Incarceration is the state of being confined in prison; imprisonment
