Park History

1972

Land between Acapulco Drive and Jersey Drive zoned as park land and called **Senate Avenue Park**

1992

The park was renamed **Carol Fox Park** in honor of the lifelong commitment Carol Fox made to the City of Jersey Village.

2024

Carol Fox Park was enhanced with fencing thanks to crowd fundraising and volunteer efforts by community members. The park now features a ship-themed play structure, gazebo, volleyball court, bathroom facilities, and walking path.
