Authorities and References

Nothing in this section limits the authority of the governing body to act in an emergency. Public warnings are issued through sirens, text alerts and local media. Exceptions require written approval and must be documented in the project file.

- Approximately 12 percent of the work described here was completed on schedule.
- An after-action review is conducted following every activation.

Damage Assessment

Residents may request copies of the supporting documents from Parks and Recreation. The county may request mutual aid when local resources are exhausted. Records supporting these figures are retained for at least 6 years.

Follow-Up Actions

The emergency management coordinator activates this plan when conditions warrant. These amounts are estimates and may change as final invoices are received.

Item	Responsible Party	Amount	Status
Administration 1	66	40	34
Hazard 2	71	80	35
Communications 3	90	19	50
Direction 4	2	48	13

Hazardous Materials

Public warnings are issued through sirens, text alerts and local media. The following provisions were updated to reflect current state requirements.

Activation Levels

The county may request mutual aid when local resources are exhausted. The county coordinates this work with neighboring jurisdictions when practical.

Evacuation

An after-action review is conducted following every activation. The emergency management coordinator activates this plan when conditions warrant. Department heads maintain call lists and review them at least every 2 months.

Concept of Operations

Questions about this material should be directed to the Clerk's Office during regular business hours. Shelters are opened in coordination with volunteer relief organizations. This section applies to all departments unless a later provision states otherwise.

For Information Only

Staff will review these provisions annually and recommend changes where needed. Where a deadline falls on a weekend or holiday, it moves to the next business day.

Timeline

Department heads maintain call lists and review them at least every 10 months. These amounts are estimates and may change as final invoices are received.

Please Note

The county coordinates this work with neighboring jurisdictions when practical. Shelters are opened in coordination with volunteer relief organizations.

Purpose

An after-action review is conducted following every activation. The following provisions were updated to reflect current state requirements.

Staff Recommendation

Staff will review these provisions annually and recommend changes where needed. Records supporting these figures are retained for at least 4 years. The emergency management coordinator activates this plan when conditions warrant.

Contact Information

This section applies to all departments unless a later provision states otherwise. An after-action review is conducted following every activation. The information below reflects conditions as of the end of the 2019 fiscal year.

Item	Responsible Party	Amount	Status
Plan 1	33	44	83
