1. Situation and Assumptions

The following provisions were updated to reflect current state requirements. Staff will review these provisions annually and recommend changes where needed. Department heads maintain call lists and review them at least every 10 months.

1.1 Timeline

Approximately 10 percent of the work described here was completed on schedule. The emergency management coordinator activates this plan when conditions warrant. Records supporting these figures are retained for at least 12 years.

2. Purpose and Scope

Shelters are opened in coordination with volunteer relief organizations. Shelters are opened in coordination with volunteer relief organizations.

2.1 Definitions

The information below reflects conditions as of the end of the 2024 fiscal year. Public warnings are issued through sirens, text alerts and local media. Department heads maintain call lists and review them at least every 12 months.

Residents may request copies of the supporting documents from Public Works. Public warnings are issued through sirens, text alerts and local media. The emergency management coordinator activates this plan when conditions warrant.

2.1.1 Cost Estimates

An after-action review is conducted following every activation. The village may request mutual aid when local resources are exhausted. Where a deadline falls on a weekend or holiday, it moves to the next business day.

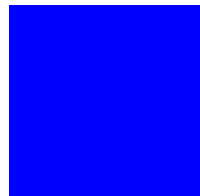

Nothing in this section limits the authority of the governing body to act in an emergency. Questions about this material should be directed to Finance during regular business hours.

2.1.2 Deadlines

Exceptions require written approval and must be documented in the project file. The village may request mutual aid when local resources are exhausted. This section applies to all departments unless a later provision states otherwise.

3. Hazard Annexes

The village coordinates this work with neighboring jurisdictions when practical. Nothing in this section limits the authority of the governing body to act in an emergency. Department heads maintain call lists and review them at least every 2 months.

These amounts are estimates and may change as final invoices are received. The information below reflects conditions as of the end of the 2024 fiscal year.

3.1 Mutual Aid

Public warnings are issued through sirens, text alerts and local media. Approximately 10 percent of the work described here was completed on schedule.
