

Rights and Responsibilities of Students Receiving Financial Assistance

See <https://studentaid.ed.gov> for the latest information.

1. Criteria for continued student eligibility under each program:
 - a. **Pell Grant** – Students must complete the Free Application for Federal Student Aid (FAFSA) each year in order for eligibility to be determined. The information provided on the FAFSA is used by the Department of Education to calculate each student's Expected Family Contribution (EFC). The EFC is used by each school to determine if a student is eligible and for how much. Students who are eligible for the Pell grant must also be making Satisfactory Academic Progress (SAP) as determined by ICC's SAP Policy listed below. Students must not have been convicted of a drug-related offense while receiving Federal funds, must not be in default on a federal student loan, have not received a Pell grant for more than 12 full time equivalent semesters and cannot owe an overpayment on Federal aid received. Male students must also register with Selective Service before reaching age 26. Students must contact the ICC Financial Aid office if they have questions.
 - b. **Federal Supplemental Educational Opportunity Grant (FSEOG)** – Students must meet all requirements for continued eligibility for the Pell Grant listed above. FSEOG is awarded based on need and availability of funds. Need will be determined each year.
 - c. **Federal Work Study (FWS)** – Students must meet all requirements for continued eligibility of the Pell Grant listed above. FWS is awarded based on need and availability of funds. Need will be determined each year.
 - d. **Federal Subsidized, Unsubsidized and Parent PLUS Loans** – Students must complete the FAFSA each year in order to determine eligibility. Students must also be making Satisfactory Academic Progress. Students must be enrolled in a minimum of six hours when loan funds are disbursed. Students must not be in default on a federal student loan, cannot owe an overpayment on federal aid received or borrow in excess of lifetime loan limits. See <https://studentaid.ed.gov/types/loans>.
2. The student must be making satisfactory academic progress in his or her course of study to receive Federal student aid. If eligibility has been lost, students may re-establish eligibility. See the SAP policies located at:

<http://www.iccms.edu/Portals/0/Docs/Information/policies/SAPRegularPolicys.pdf>

3. The Financial Aid office will collect all financial aid awards (grants, loans, work-study, institutional scholarships and all other scholarships) and credit all awards to the Business office account. The Business office will apply the appropriate awards to the student's charges. The payment schedule is available at www.iccms.edu/financialaidforms.

Federal Pell Grant and FSEOG will be paid accordingly. These amounts will be disbursed to the student's Business office account. School charges will be withheld before refunds are paid to students.

Loans will be disbursed to the Business office account for the student. **Reminder:** Students must be enrolled in at least six hours to receive loan funds. Spring- and summer-only loans must be disbursed in two equal installments. School charges will be withheld from loan funds, and any remaining refunds are paid to students.

State Aid, County Aid, Institutional Scholarships and Other Scholarships will be paid accordingly. These amounts will be disbursed to the student's Business office account. School charges will be withheld and any remaining refund paid to students.

Federal and Institutional Work-Study students are paid bi-weekly for hours worked. The payment schedule is available at www.iccms.edu/financialaidforms.

4. **Obtaining Books and Supplies with Pell Grant and Other Student Aid Funds** – Students may charge in the college bookstores against Pell Grant and other student aid before the aid is disbursed as long as the student has more than enough aid to cover the cost of tuition and fees, his/her applications are complete and he/she meets all eligibility requirements. Students should contact the Business office on either the Fulton or Tupelo Campus to set up a charge in the Bookstore. Payment dates and census dates are available at www.iccms.edu/financialaidforms. Students will receive a BankMobile link to setup refund options. **Students should consider selecting the option to have any refund direct deposited into their personal checking account.**

5. The terms of any loan received by a student as part of the student's financial aid package, a sample loan and repayment schedule for sample loans and the necessity of repaying loans can be found in the information accompanying the student's master promissory note and lender disclosure statements. Students may also find valuable information for managing student loan debt at <https://studentaid.gov>.

6. The general conditions and terms applicable to any employment provided to a student as part of the student's financial assistance package are listed below:

The Institutional and Federal Work-Study programs provide jobs for full-time students, allowing the opportunity to earn money to help pay educational expenses. To qualify for

Work-Study, a student must complete the Free Application for Student Aid at <https://studentaid.gov>. A list of available Work-Study opportunities is listed at www.iccms.edu/StudentWorkers. The student must email the supervisor listed, and the supervisor will contact student to arrange an interview. Successful applicants, who will be notified, must complete additional paperwork required. Questions about specific jobs should be addressed to the supervisor listed, and questions about Financial Aid should be addressed to finaid@iccms.edu.

7. The institution shall provide and collect exit counseling information as required by 34 CFR 382.604 for borrowers under the Federal Stafford Loan Program. ICC makes a good faith effort to email exit counseling instructions and materials to all students who have ever had a student loan and who graduate, withdraw from school or discontinue enrollment. Loan exit counseling can also be completed at <https://studentloans.gov>.
8. Students who are having trouble making their student loan payments should contact their lender as soon as possible. Students might be eligible for deferment or forbearance of loan payments for a temporary period of time. Students who are unsure of their lender can go to <https://studentaid.gov> to view their personal loan information. Students can also find valuable information for managing student loan debt and deferment and forbearance forms at <https://studentaid.gov>.
