Department Reports:

a. **HIGHWAY SUPERINTENDENT, Jason Lannon, reported the following:**

- Painting is being done in the Highway Barns when there are breaks in the weather.
- One snowplow driver will not be working the remainder of the season.
- The Town will be purchasing 1,000 tons of salt.
- Ditching is being done on Field Street
- Loader is scheduled for \$500 service.
- On March 1st, a highway truck was hit by a car and the driver fled. Officers were able to find the driver. The truck is currently in the repair shop being assessed for cost of repair.

b. CODE ENFORCEMENT OFFICER, Marty Barnett, reported the following:

- 17 Fire and safety inspections in the Town and Villages
- 3 Permits were issued in the Town of Manchester
- \$440.00 collected in fees.
- Estimated construction costs are \$10,152.00.
- An engineering group is working on drawings for an expansion of Idlewood Manor MHP.
- Clifton Springs Foster Block did not get the grant they applied for. There is a possibility that they will try again later this year or next year.

c. ASSESSOR, Heather Robson, reported the following:

- 11 transfers/sales and 1 split.
- On February 18th and 19th, the Assessor's Aid phoned everyone that had not turned in their exemption renewals as a reminder to get them in.
- The Assessor is finishing the permits and adding inventory increases to the roll.

March 10, 2026

d. TOWN CLERK, Devon Hayes, reported the following:

- The tax collection warrant is \$5.1 million. The Clerk's Office has collected \$4.7 million. There are outstanding taxes of \$416,000.
- Reminder notices were printed today and will go out in tomorrow's mail.
- Certificates of Deposits have been taken out for \$2.8 million dollars.

e. WATER SUPERINTENDENT, Rich Vienna, detailed a report stating the following:

- Monthly Bac-T samples are negative.
- Due to the snowy weather, not much hydrant maintenance was done.
- Hydrant on Fox Road blew off at the gard valve.
- There was a watermain break on Route 21 north of Hill Cumorah. There was a 250,000-gallon loss due to a 12-inch-long crack.
- TTHM's conducted and came back with satisfactory results, forty-three parts per million. Our fourth quarter average is 73. High range is 80.
- Meter readings will be done tomorrow.
- Town of Arcadia water project is moving forward. There will be an interconnect with the Town of Manchester water on Thompson Road. It will be a two-way valve that is going to help the Town bring down TTHM's.
- The Town might want to consider a new water rate for water over 500,001 gallons. Willow Bend Farm will be using a large amount of water regularly once the new barn is built.
- Idlewood Manor currently has a 1.5 supply line which is not enough for fire suppression. A 6-inch pipe should be installed. The Town will need to put in a meter pit.
- Supervisor Colburn added that he and the Town's water department had a meeting with the town water departments for Gorham, Seneca, Phelps, and Hopewell to look at what the needs are, what projects are currently being worked on and how the Towns might be able to help each other. The Town Supervisors will look for potential grants for water and sewer. They will be meeting again in May. The City of Canandaigua and the Town of Farmington will be invited to the next meeting.
